 Terms and Conditions

Mobile Conference Connection

1. Description of Service - Mobile Conference Connection is a service currently provided by Verizon free of charge which enables registered Verizon Audio Conferencing Customer's end users (herein referred to as "End User(s)") who are leaders ("Leader(s)") and/or participants ("Participant(s)") and subscribers of the Instant Meeting feature to utilize their registered mobile device ("Registered Device") to manage certain aspects of their Instant Meeting conferencing feature and subscription. Mobile Conference Connection is supportable only on Blackberry Personal Data Devices ("PDA") and Smartphones utilizing Windows Mobile ® software. "Smartphone" is defined here as a handheld device that integrates personal information management and mobile phone capabilities in the same device. Mobile Conference Connection enables the Leader
